

Standard PO Logistics Instructions

Buyer requires Supplier to arrange for the delivery of goods purchased under this Order by following the shipping instructions provided by the buyer as noted in the Purchase Order or in a separate logistics instruction letter.

Premium transportation may be required to process shipments, supplier must get Buyer approval for Premium transportation, if the supplier fails to get buyer approval Buyer reserves the right to bill back Supplier for such premium transportation cost.

Parcel shipments (generally less than 150 lbs.) must be shipped using an approved courier service. Contact your GE Buyer for the courier account number to be used for the each PO/shipment. Supplier must include shipper and consignee contact name in the shipping information.

Supplier's failure to follow instructions may result in additional costs to GE. Buyer reserves the right to bill back Supplier for such costs.

If the Supplier was instructed to arrange for the delivery of goods purchased under this Order through the Allyn Logistics Team, for cargo above 150 Lbs (70 Kg) the supplier will need to submit a transportation request via the Allyn Logistics Application ("ALA") at least forty-eight (48) hours prior to the requested pick up date. Use the link below to enter a transportation request and / or request access if you do not have access to this "ALA" system.
